Dear Parents,

Warm greetings!

As a parent it is important to invest your time with your little ones. We are sharing some tips for you to make these vacations a fruitful and happy period for them.

- 1) Have at least two meals together with your children. Teach them not to waste their food.
- 2) Allow them to help you in cooking and wash their own plates after every meal.
- 3) Let your child learn 5 new words daily in English.
- 4) Spend time with the grandparents and let your children bond with them. Their love and emotional support is very important for your child.
- 5) Share stories about your childhood and your family history.
- 6) Allow your child to play outdoors.
- 7) Get some story books with colourful pictures for your kids.
- 8) Keep your children away from TV, Mobile phones, Computers and other electronic gadgets.
- 9) Avoid giving junk food like: chocolates, jellies, cream cakes, chips, aerated drinks and too many bakery products and fried items.

Good wishes for a marvelous vacation.
