

**RAMAKRISHNA SENIOR SECONDARY SCHOOL**  
**SUMMER HOLIDAYS HOMEWORK (Humanities Stream)**  
**CLASS XI (2026-27)**

**Dear Parents**

**Greetings from the RKS Fraternity!**

The Academic Session 2026-27 has begun in full swing and students have settled well in their classes. Now is the time for Summer Break. The School will be closed for Summer Break from **May 30, 2026** to **June 30, 2026**. The school will reopen on **July 1, 2026**. In order to keep our students well engaged, we are sending the **Summer Holiday Homework**.

**General Instructions:**

1. Revise the syllabus covered so far in the class.
2. Do all the work as specified by the subject teacher.
3. Submit your Holiday Homework in the first week of July as per the teacher's instructions.
4. The students must do their work neatly in their own handwriting. Marks of Internal Assessment will be awarded only if the students do the work in their own handwriting.

Summer Vacations are the most awaited holidays by the students. It is also a time to enjoy those little pleasures of life that get overlooked during the busy school routine. They get a positive bounce back when they rejoin school after this much-needed break.

There are a few things that students can keep in mind to utilize this break fruitfully.

- Go for educational trips and excursions.
- Spend quality time with family and friends.
- Pursue your hobbies and interests.
- Sharpen your skills and develop new ones.
- Follow a fitness regime to stay agile both mentally and physically.
- Learn and explore new things.
- Relax your body and mind because, 'A Healthy Mind Lives in a Healthy Body.'

**Have a delightful and productive Summer Break!**

## **ENGLISH**

### **1. Project Work**

Prepare a General Studies Project on the topic 'Science and Technology' on A4 sized white ruled sheets. (10-15pages)

The project should be prepared under following headings-

- Application of Science and Technology
- Emerging Technologies
- Science and Technology in the Social Context
- 'Science and Society'

Use Resources such as newspapers, books, magazines, TV Channels and the internet (relevant websites) can be used.

The project should include the following:

- Cover Page (Name, Class, Section)
- Title of the topic
- Index
- Certificate of Completion
- Acknowledgement
- Introduction to the topic
- How science and technology are related
- Role of advancing technology in the society
- Application of technology benefitting the society
- Enumerate the emerging technologies
- What will be your contribution towards the simultaneous development of society and technology
- Conclusion
- Bibliography/ list of resources used

**2. Attempt Unseen Comprehension** (to be done in the book- Evergreen Practice Papers)  
Evergreen Practice Papers 1,2, and 3

**3. Grammar Practice** (to be done in the book- Evergreen Practice Papers)  
Gap Filling : Exercises 1 to 4 - Editing: Exercises 1 to 4

**4. Creative Reflection Task** (to be done in English register – 150 words)

Imagine standing between two mirrors: one shows how **others perceive you**, and the other shows **who you truly are** when you are completely alone.

Write a short reflection on a time you felt a major difference between these two versions of yourself. Describe the situation, how you handled the pressure to fit in, and what you learned about your true identity.

**5. Reading and Literary Enrichment:** (to be done in English register) (150 words)

Explore the theme of unspoken love and quiet dignity in *The Portrait of a Lady*. How do the grandmother's daily routines, her relationship with nature (the sparrows), and her ultimate departure highlight a love that doesn't rely on words?

**6. Revision:** Revise all the topics covered so far.

**7. Reading and Reflection Assignment –** Read the book *Treasure Island* by Robert Louis Stevenson and write a brief review (120–150 words).

Submission Guidelines:

- Submit your project in a neatly bound file with a cover page.
- Project should be handwritten only.
- Diagrams, illustrations, and photos (if used) must be pasted neatly.
- Date of Submission: July 2, 2026
